

## **Pool Policies**

### **Daily Admission and Inclement Weather**

Admission sales are final. All guests entering park (swimming or not swimming) are required to pay. Refunds or rain checks are not issued due to inclement weather. A lightning detector sounds when swimmers must clear the pool. Every effort is made to keep the water park open for the remainder of the day provided the storm clears.

### **Admission Payment & Discounts**

Cash, or checks are accepted at the front gate. Concessions accept cash and checks.

### **Coolers, Outside Food and Beverages**

Coolers and outside food and beverages are not allowed inside the water park. Alcohol, tobacco products, and glass containers are prohibited. Picnic tables are provided outside the water park for guests to come and go as needed. Guests must have hand stamped to return inside the water park. If the load limit has been reached, those exiting and wishing to re-enter must wait in line

### **Supervision**

Guests under the age of 12 are required to have a guardian 16 years of age or older within the park during visit. Children age 3-under must be within arms length of adult supervisor. Day camps, day cares, church groups, or school groups must provide at least 1 adult for every 10 children. Group counselors must be in swim attire and actively supervising children at all times.

### **Personal Belongings**

The City of Broken Arrow is not responsible for lost or stolen items. Lawn area and pool deck are available for placing personal items.

### **Concessions**

Snacks, and beverages are available at the concession. Cash purchases only. A limited number of tables are available in the concession area. We ask that concession tables be cleared of trash after use. Personal items left unattended will be removed from the tables. Lawn area and lounge chairs are available for towels and personal items.

### **Pool Deck Rules**

Due to safety concerns lounge chairs are not allowed in the pool or on painted surface of the entryways into the main pool or kiddy pool. Lounge chairs may be adjusted on the pool deck for your comfort. Food and drinks are allowed in lounge areas. We ask that guests please discard trash. No food or drinks are allowed in or near the pools.

### **Swim Attire**

Appropriate swimwear is required of guests. Denim shorts, swimwear with plastic or metal rivets that may damage slide surfaces, thong suits, men's "Speedos", and clothing made of see-through material when wet or dry are prohibited. No undergarments are permitted under swim wear.

### **Swim Diapers**

Infants and toddlers must wear swim diapers marketed for water use. Swim diapers are available for purchase at the concession stand . Do not change diapers on the pool deck or lounge chairs, please use the restroom

### **Flotation Devices**

US Coast Guard approved lifejackets are allowed in the water park. No tubes, rafts, styrofoam or inflatable "floaties" are allowed in the pool. Lifejackets are provided at no charge (first-come, first-serve). Guests will be asked to remove all flotation devices not approved.

### **Water Park Attractions**

Water Slides: Must be 48 inches or taller to ride the big slides; 48 inches or shorter to use the Kiddy Pool, Aqua Play and small slides. Plastic or metals rivets on shorts will not be allowed down the water slides. Slide position is feet first, one at a time, sitting or lying on back. Parents are NOT allowed to slide down with a child.

### **Pool and Facility Rules**

Pushing, shoving, cursing, fighting, running, and horseplay are not tolerated. Lifeguards have the authority to enforce any policy that will help ensure the safety and enjoyment of our guests. The pool manager and/or aquatic supervisor reserves the right to remove any guest not abiding by all water park policies. Police will be notified immediately for unruly or uncontrollable actions by a guest.

### **Community Safety**

Patrons with open wounds, bandages, diarrhea, or respiratory infections will not be allowed in the swimming pool. The pool will be cleared if the water is contaminated by any bodily fluids (vomit, diarrhea, blood). Safety and health guidelines are followed before allowing swimmer's to re-enter the water.
